[comprehensivehealthclinics.com](https://comprehensivehealthclinics.com)

I would like to thank the community for showing confidence in me and Comprehensive Health Clinics. I have enjoyed providing healthcare to the area for 39 years. It has been rewarding for me and continues to be fun coming to the office and helping patients with their ailments. The use of low-tech, hand-on, evidence-based care continues to be our focus. Alternative care options such as chiropractic, acupuncture, and manual therapies have now become mainstream.
