TEMPORARY PRICING ADJUSTMENTS

For the 2022 holiday season, the Postal Service has implemented temporary price adjustments. The changes are in place through Jan. 22, 2023, 12:01 a.m. Central time, for both retail and business customers.

The changes include some of the

Postal Service's more popular shipping products, which also includes military shipping: Priority Mail Express, Priority Mail, First-Class Package Service, Parcel Select Ground and USPS Retail Ground. International products are unaffected.

These temporary rates will keep the Postal Service competitive and are similar to adjustments in past years to help cover extra handling costs to ensure a successful holiday season. More information can be found at usps.com.

The temporary adjustments are part of Delivering for America, the Postal Service's 10-year plan for achieving financial sustainability and service excellence, which calls for appropriate pricing initiatives. Even with the temporary increase, the Postal Service has some of the lowest mail postage rates in the industrialized world and continues to offer great values in shipping.
