CITY OF ISANTI ORDINANCE NO.741 AN ORDINANCE AMENDING ORDINANCE NO. 273, ADOPTED ON NOVEMBER 6, 2002 AND ORDINANCE NO. 341, ADOPTED ON MAY 3, 2005 AND ORDINANCE NO. 524, ADOPTED ON FEBRUARY 8, 2012 AND TITLED TRAILS THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment.
Ordinance 273, Ordinance 341, Ordinance 524, Ordinance codified in Chapter 300 of the City Code, are hereby amended as follows:

Chapter 300 TRAILS

§ 300-1. **Purpose.**
§ 300-2. **Trail location.**
§ 300-3. **Snow removal on trails.**
§ 300-4. **Construction.**
§ 300-5. **Motorized transportation prohibited.**

§ 300-6. **Cambridge-Isanti Bike/Walk Trail.**

§ 300-7. **Violations and penalties.**

§ 300-1. **Purpose.**

The purpose of this chapter is to ensure the proper location, construction, operation, and maintenance of both City and regional trails. This will allow our citizens the ability to walk, bicycle, and other means of non-motorized use to go from place to place within the City and region. We recognize the importance of trails in and around our City for the safety of our citizens, the health of our citizens, and for the betterment of our community.

§ 300-2. **Trail location.**

Trails shall be placed as shown on the most current Trail Map. City staff can modify the location of trails to the other side of the roadway in order to promote contiguous nonmotorized movement. All new subdivisions/developments are expected to install trails, at the developer's

expense. Trails may be located in any zone.

§ 300-3. **Snow removal on trails.**
Snow removal on bituminous trails is the responsibility of the City Public Works Department. It is understood that snow removal along these routes does not take precedence to snow removal along streets. Trails will be plowed when snow is more than two (2) inches and in accordance with the City's Snow Plowing Policy by Resolution. Earthen, woodchip or gravel trails will not have snow removal.

§ 300-4. **Construction.**

A. Trails shall be at least eight feet wide.

B. Trails must be constructed of concrete or bituminous. In some instances, the City may allow for a wood chip trail especially along environmentally sensitive areas. Trails through wetlands may be constructed to boardwalk/bogwalk requirements as indicated in the City Engineering standards in lieu of filling in wetlands or wetland mitigation.

C. Trails shall be constructed as the City Engineer dictates.

D. Concrete pedestrian curb ramps per ADA compliance shall be installed on all street corners according to MNDOT and City Engineer specifications.

E. The City Engineer and/or Building Official, or their designee, shall inspect trail construction.

F. All materials, workmanship, and details of the construction of trails on the public rights-of-way of the City shall be in accordance with the current city engineering standards.

§300-5. **Motorized transportation prohibited.**

Due to the wear on the trail, noise they make, and dangers they induce to bikers and walkers, no motorized vehicles are allowed on City trails, such as, mopeds, four-wheelers, snowmobiles, motorcycles or similar types of motorized transportation. This does not refer to designated four-wheel or snowmobile trail routes on City streets.

§ 300-6. **Cambridge-Isanti Bike/Walk Trail.**

The implementation and enforcement of rules and regulations governing the use of the Cambridge-Isanti Bike/Walk Trail shall apply as approved by resolution of the City Council, as amended from time to time.

§300-7. **Violations and penalties.**

Violators of this chapter shall be guilty of a misdemeanor punishable by a fine of not to exceed \$1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 2 -Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 1st day of December 2020.

CITY OF ISANTI ORDINANCE NO. 743

**AN ORDINANCE AMENDING
ORDINANCE NO. 576, ADOPTED
ON APRIL 16, 2014 AND
ORDINANCE NO. 690,**

**ADOPTED ON JUNE 5, 2018 AND
ORDINANCE NO. 705, ADOPTED
ON JUNE 4, 2019 AND TITLED
ADMINISTRATIVE PENALTIES**

**THE CITY COUNCIL OF ISANTI
DOES ORDAIN:**

Section 1 – Amendment.
Ordinance 576, Ordinance 690 and Ordinance 705, codified in Chapter 65 of the City Code, are hereby amended as follows:

Chapter 65

ADMINISTRATIVE PENALTIES

§66-1 Purpose

§65-2 Alternative methods of Enforcement

§65-3 General Provisions

§65-4 Authority to issue order to correct letters and administrative citations

§65-5 Administrative citations

§65-6 Administrative hearing

§65-7 Recovery of civil penalties

65-1. Purpose.

The City Council determined that there is a need for alternative methods of enforcing the City Code. While criminal fines and penalties have been the most frequent enforcement mechanism, there are certain negative consequences for both the City and the accused. The delay inherent in that system does not ensure prompt resolution. Citizens resent being labeled as criminals for violations of administrative regulations. The higher burden of proof and the potential of incarceration do not appear appropriate for most administrative violations. Accordingly, the City Council finds the use of administrative citations and the imposition of civil penalties a legitimate and necessary alternative method of enforcement. This method of enforcement is in addition to any other legal remedy that may be pursued for City Code violations.

65-2. Alternative methods of enforcement.

A. The administrative hearing process provided for within this Article shall be in addition to any other legal or equitable remedy available to the City for City Code violations.

B. The City may initiate a civil enforcement action to obtain code compliance before, during or after an administrative enforcement proceeding.

C. If the final adjudication in the administrative penalty procedure is a finding of no violation, then the City may not prosecute a criminal violation in district court based on the same set of facts. This does not preclude the City from pursuing an administrative penalty or a criminal conviction for a violation of the same provision of the City Code based on a different set of facts. A different date of violation shall constitute a different set of facts and a separate offense.

65-3. General provisions.

A. A violation of a provision of the City Code or a violation of the terms and conditions of a City approval, including permits and licenses, required and granted under this Code is an administrative offense that may be subject to an administrative citation and civil penalties. Each day a violation exists constitutes a separate offense.

B. An offense may be subject to a civil penalty not exceeding one thousand (\$1,000) dollars per separate offense.

C. The City Council will adopt by Ordinance a schedule of penalties for offenses initiated by administrative citations. The City Council is not bound by the schedule when a matter is appealed to it for administrative review.

D. The City Council may adopt a schedule of fees to be paid to administrative hearing officers for their services.

65-4. Authority to issue order to correct letters and administrative citations.

The following City employees and agents are authorized to issue compliance letters and administrative citations for violation of the City Code and other associated Ordinances:

A. Licensed peace officers of the

Isanti Police Department;

B. Reserve Officers of the Isanti Police Department;

C. Community Development Director;

D. Community Development Specialist;

E. Animal Control Officer;

F. Building Official;

G. MS4 Technician; or

H. Community Service Officer.

65-5. Administrative citations

A. A person authorized to enforce provisions of the City Code may issue an administrative citation upon belief that a code violation has occurred. The citation must be issued in person or by first class mail to the person responsible for the violation. The citation must state the date, time, and nature of the offense, the identity of the person issuing the citation, the amount of the scheduled fine, and the manner for paying the fine or appealing the citation. The administrative citation shall be deemed served upon deposit in the U.S. mail to the address of the violator. A certificate of service shall be completed by the official issuing the citation. If the City seeks to impose more than one fine for a continuing violation, a separate citation shall be issued for each violation date.

B. The person responsible for the violation must either pay the scheduled fine or request a hearing within ten (10) calendar days after issuance of the citation. Payment of the fine constitutes admission of the violation. A late payment fee of ten (10%) percent of the scheduled fine amount will be imposed. The fines may be rescinded if compliance is achieved by the compliance date provided.

C. A hearing request must be made in writing and executed by the property owner or person with an ownership interest in the property. It must minimally state the name and mailing address of that person, the person's relationship to the property involved, and a brief statement why the citation is in error and a hearing is being requested. A filing fee, as set forth in the City Fee Schedule, shall accompany the application. The application is not valid unless the fee is paid. The filing fee is non-refundable.

D. A property owner may request an extension to come into compliance, which may be granted or denied by the City. If an extension to come into compliance is requested and granted, and the property owner does not come into compliance by the extension date, the administrative fine imposed with the citation for the violation shall not be rescinded. Additionally, a request for an extension to the compliance deadline shall constitute an admission to the violation, and a waiver of a right to request a hearing under subpart C above.

65-6. Administrative hearing.

FROM PUBLIC NOTICES, PAGE 16

of the violation;
3. The history of the violation;
4. The seriousness of the violation;
5. The violator's conduct after issuance of the notice of hearing;
6. The good faith effort by the violator to comply;
7. The economic impact of the penalty on the violator;
8. The impact of the violation upon the community; and
9. Any other factors appropriate to a just result.

E. The hearing officer's decision and supporting reasons are final and as practically as possible be provided in writing to both parties within ten (10) days of the hearing. Any fines or penalties imposed must be paid no later than ten (10) days of the date of the Hearing Officer's order.

F. The failure to attend the hearing constitutes a waiver of the violator's rights to an administrative hearing and an admission of the violation. A hearing officer may waive this result upon good cause shown. Examples of "good cause" are death or incapacitating illness of the accused; a court order requiring the accused to appear for another hearing at the same time; and lack of proper service of the citation or notice of the hearing. "Good cause" does not include forgetfulness and intentional delay.

65-7. Recovery of civil penalties.

A. If a civil penalty is not paid within the time specified, it constitutes:

1. A personal obligation of the violator in all cases;
2. An obligation of the person or business conducting an activity on the property if the violation relates to that activity;
3. An obligation of the owner of the property on which the violation occurred; and
4. A lien upon the real property upon which the violation occurred, if the property owner was found responsible for that violation and the lien can be assessed under Minnesota Statutes 429.101, as amended from time to time. Prior to assessing the lien against the property, the City must attempt to obtain voluntary payment of the administrative penalty and provide the property owner listed on the tax record with notice and an opportunity to be heard.

B. The personal obligation or lien may include the administrative, collection agency and legal costs incurred by the City in connection with collecting the unpaid administrative penalty.

C. A personal obligation may be collected by any appropriate legal means, including use of a collection agency.

D. A late payment fee of ten (10%) percent of the fine will be assessed for each thirty (30) day period, or part thereof, that the fine remains unpaid after the due date.

E. During the time that a civil penalty remains unpaid, no City approval will be granted for a license, permit, or other City approval sought after by the violator or for the property.

F. Failure to pay a fine is grounds for suspending, revoking, denying, or not renewing a license or permit associated with the violation.

G. The City reserves the authority to use the abatement process as outlined within Chapter 216 Nuisances, in lieu of or in addition to the process outlined within this Chapter.

H. In the event of unpaid civil penalties, the City reserves the right to pursue a criminal penalty under the applicable section of the City Code.

EFFECTIVE DATE

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 1st day of December 2020.

Q. Snow clearing or removal from a private property must be contained within the property of which the snow originated or hauled and deposited in an approved location.

§ 216-3 Public nuisances affecting morals and decency.

The following are hereby declared to be nuisances affecting public morals and decency:

A. All gambling devices, slot machines, and punch boards, except as otherwise authorized by ordinance.

B. Betting, bookmaking, and all apparatus used in such occupations.

C. All houses kept for the purpose of prostitution or promiscuous sexual intercourse, gambling houses, houses of ill fame, and bawdy houses.

D. All places where intoxicating liquor is manufactured or disposed of in violation of law or where, in violation of law, persons are permitted to resort for the purpose of drinking intoxicating liquor, or where intoxicating liquor is kept for sale or other disposition in violation of law, and all liquor and other property used for maintaining such a place.

E. Any vehicle used for the transportation of intoxicating liquor, or for promiscuous sexual intercourse, or any other immoral or illegal purpose.

F. Graffiti.

(1) Use of graffiti prohibited. It shall be unlawful to apply graffiti to any natural or man-made surface on any publicly or privately owned property without the owner's permission.

(2) Graffiti as nuisance. The existence of graffiti on public or private property shall be declared a nuisance, which is destructive to the rights and values of property owners as well as the entire community and is subject to removal and abatement procedures.

(3) Removal by owner. It shall be the duty of the owner of the property upon which any graffiti is placed to remove such graffiti within 90 days upon written receipt of notice issued by the City to remove the graffiti.

(4) Removal by City. If the property owner fails to remove graffiti within the time allotted, the City shall abate and remove the graffiti. The property owner shall be billed for the cleanup.

G. Public urination – prohibited.

(1) Any person who urinates or defecates on any public street, alley, sidewalk or floor of any building or of any building where the public gathers or has access, or in any other place, whether public or private, where such act could be observed by any member of the public, except in such place that has been designated as a restroom, is guilty of a misdemeanor.

(2) The enforcement provision of this subsection shall not apply to the following individuals who may not be able to adequately control the bodily functions that control urination or defecation:

(a) Children five years of age or younger;

(b) Persons of any age who violate this section due to a verified medical condition.

§ 216-4 Public nuisances affecting peace, safety and general welfare.

A. Prohibited nuisances affecting public safety and peace.

(1) All snow and ice that is not removed from public sidewalks within 48 hours after public works has completed removal of a snow event. It is the adjacent property owner's responsibility to keep the sidewalk clear of snow and hazardous ice and apply de-icing agents if necessary. Reference Chapter 284-14.

(2) Use of the municipal water system for lawn sprinkling in noncompliance with regulations regarding such usage.

(3) Any well, hole, or excavation left uncovered or in such condition as to constitute a hazard to a child or other person, being or coming upon the premises where the same is located, or any discarded or unused device formerly used for refrigeration purposes that restricts the free flow of air, or other similar device or object, which is left outside or in such condition as to be accessible to any child or other person being or coming upon the premises where the same is located.

(4) Materials placed on streets, alleyways, sidewalks, and other public ways which encumber, interfere with, or impede the free flow of pedestrian or vehicular traffic and/ or impede the unobstructed lawful use thereof, as prohibited pursuant to § 284-16.

(5) All commercial parking lot facilities shall be maintained and operated in compliance with applicable engineering design and safety standards, including, but not limited to, applicable provisions of the Americans with Disabilities Act (ADA). Any such parking lot that fails to meet said standards as to surfacing, curbing, drainage system, lighting or accessibility, or is otherwise in such disrepair so as to be reasonably deemed to constitute a public safety hazard, as determined by the City Engineer or his or her designee, is hereby declared to be a nuisance. Nuisances constituting an immediate safety hazard shall be subject to immediate abatement. Otherwise, alleviation of nuisances shall be in conformance with timeframes set by the City Engineer or his or her designee.

(6) All trees, hedges, billboards, or other obstructions which prevent people from having a clear view of all traffic approaching an intersection.

(7) All wires and limbs of trees that are so close to the surface of a sidewalk or street as to constitute a danger to pedestrians or vehicles.

(8) Obstructions and excavations affecting the ordinary public use of streets, alleys, sidewalks, or public grounds, except under conditions as are permitted by this ordinance or other applicable law.

(9) Any use of property abutting on a public street or sidewalk or any use of a public street or sidewalk that causes large crowds or people to gather, obstructing traffic and the free use of the street or sidewalk.

(10) All hanging signs, awnings, and other similar structures over streets and sidewalks, so situated as to endanger public safety, or not constructed and maintained as provided by ordinance.

(11) The allowing of rainwater, ice, or snow to fall from any building or structure upon any street or sidewalk or to flow across any sidewalk.

(12) Accumulations in the open of discarded or disused machinery, household appliances, automobile bodies or other materials in a manner conducive to the harboring of rats, mice, snakes, or vermin, or the rank growth of vegetation among the items so accumulated, or in a manner creating fire, health, or other safety hazards from such accumulation.

(13) Any well, hole, or similar excavation that is left uncovered or in such other condition as to constitute a hazard to any child or other person coming on the premises where it is located.

(14) Obstruction to the free flow of water in a natural waterway or a public street drain, gutter, or ditch with trash or other materials.

(15) The placing or throwing on any street, sidewalk, or other public property of any glass, tacks, nails, bottles, or other substances that may injure any person or animal or damage any pneumatic tire when passing over such substance.

(16) The depositing of garbage or refuse on a public right-of-way or on adjacent private property.

(17) Reflected glare or light from private exterior lighting exceeding 0.5 footcandles as measured on the property line of the property where the lighting is located when abutting any residential parcel, and one footcandle when abutting any commercial or industrial parcel.

(18) All other conditions or things that are likely to cause injury to the person or property of another.

(19) Building Maintenance and Appearance: Buildings, fences, and

other structures which have been so poorly maintained that their physical condition and appearance detract from the surrounding neighborhood are declared to be public nuisances because they: 1) are unsightly, 2) decrease adjoining landowners and occupant's enjoyment of their property and neighborhood, and 3) adversely affect property values and neighborhood pattern.

B. Prohibited noise affecting public health, peace, safety or welfare.

(1) General prohibition. It is unlawful for any person to make or cause to be made any distinctly and loudly audible noise that unreasonably annoys, disturbs, injures or endangers the comfort's repose, health, peace, safety, or welfare of any persons; precludes their enjoyment of property; affects their property's value; affects the peace and quiet of any neighborhood; or which cause discomfort or annoyance to any reasonable person of normal sensitivity residing in the area.

(2) All obnoxious noises in violation of Minnesota Rules Chapter 7030, as it may be amended from time to time, which are hereby incorporated by reference into this code, are declared to be nuisances affecting public peace and safety.

(3) Additional standards may be considered when determining a violation of this section, which include, but are not limited to, the following:

- (a) Volume of the noise;
- (b) Intensity of the noise;
- (c) Whether the nature of the noise is usual or unusual;
- (d) Volume and intensity of background noise, if any;
- (e) Proximity of the noise to residential sleeping;
- (f) Nature and zoning of the area within which the noise emanates;
- (g) Density of inhabitation of the area within which the noise emanates;
- (h) Time of day or night the noise occurs;
- (i) Duration of the noise;
- (j) Whether the noise is recurrent, intermittent, or constant; and
- (k) Whether the noise is produced by a commercial or noncommercial activity.

(4) Specific noises prohibited. The following noises shall be declared to be nuisance noises in violation of this chapter. This listing shall not be deemed to be exclusive.

(a) Horns, signaling devices, sirens, etc. It is unlawful for any to sound any horn, siren, or other signaling device on any vehicle except as a warning sign or emergency.

(b) Radios, phonographs, television sets, and similar devices. It is unlawful for any person to use or operate or permit the use or operation of any radio receiving set, musical instrument, phonograph, paging system, machine or other device for the production or reproduction of sound in a distinctly and audible manner as to disturb the peace, quiet and comfort of any person nearby. Operation of any such device as outlined within Subsection B in a manner as to be plainly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a structure or building shall be prima facie evidence of a violation of this section.

(c) Loudspeakers, amplifiers, and sound trucks. It is unlawful for any person to operate or permit the use or operation of any loudspeaker, sound amplifier or other device for the production or reproduction of sound on a street or other public place for the purpose of commercial advertising or attracting the attention of the public to any commercial establishment or vehicle.

(d) Human noise. Yelling, shouting, hooting, whistling, or singing at any time or place so as to annoy or disturb the quiet, comfort, or of persons in any office, or in any dwelling, hotel/motel, or other place of residence, or in the vicinity of the source.

(e) Exhaust. It is unlawful for any person to discharge the exhaust, or permit the discharge of the exhaust of any steam engine, stationary combustion engine, motor boat, motor vehicle or snowmobile, except through a muffler or other device that effectively prevents loud or explosive noises therefrom and complies with all applicable state laws and regulations.

(f) Defective vehicles or loads. It is unlawful for any person to use any vehicle so out of repair or so loaded as to create loud or unnecessary grating, grinding, rattling or any other noise.

(g) Loading, unloading, and packing. It shall be unlawful for any person to create loud or excessive noise in connection with loading or unloading or unpacking any vehicle; or the opening and destruction of bales, boxes, crates, and containers.

(h) Loud parties or gatherings. It shall be unlawful for any person

to participate in any party or gathering of people giving rise to noise, disturbing the peace, quiet, or repose of another person during the hours of 10:00 p.m. to 7:00 a.m. weekdays and 11:00 p.m. and 8:00 a.m. weekends. It shall be prima facie evidence of a violation of this section if the sound of the party or gathering is clearly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a building, or if the noise meets the standards as presented in Subsection B(3). Any person who participates in a party or gathering which generates nuisance noise shall be guilty of maintaining a public nuisance. Every owner or tenant of the premises who has knowledge of the disturbance shall make every effort to see that the disturbance is stopped.

(i) Schools, courts, churches, hospitals. It is unlawful for any person to create any excessive noise on a street, alley or public grounds to any school, institution of learning, church or hospital when the noise unreasonably interferes with the working of the institution or disturbs or unduly annoys its occupants or residents and when conspicuous signs indicate the presence of the institution.

(j) Dynamic braking systems. No person shall use motor vehicle brakes that are in any way operated or activated by the compression of the engine in any motor vehicle upon any public ways located within the City limits of Isanti, including, but not limited to, highways, streets, alleys, easements, or right-of-way.

(k) Domestic power equipment. No person shall operate a power lawn mower, power hedge clipper, chainsaw, mulcher, garden tiller, edger, drill or similar domestic power maintenance equipment except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. to 9:00 p.m. on any weekend or holiday. Snow removal and street sweeping equipment is exempt from this subsection.

(l) Refuse handling. No person shall collect or remove garbage or refuse in any residential district except between the hours of 6:30 a.m. and 6:00 p.m. on any weekday or between the hours of 8:00 a.m. and 6:00 p.m. on any weekend or holiday.

(m) Construction activities. No person shall engage in or permit construction activities involving the use of any kind of electric, diesel, or gas powered machine or other power equipment, manual tools, movement of equipment, and other activities except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. and 8:00 p.m. on any weekend or holiday.

(5) Exceptions. The following shall be declared to be exceptions from the provisions of this Subsection B. This listing shall not be deemed to be exclusive.

(a) Emergency work. Operations and acts performed exclusively for emergency work to preserve the safety, welfare or public health of the citizens of the City or for emergency work necessary to restore public service or to eliminate a public hazard shall be exempt from the provisions of this subsection. Persons having performed emergency work under this subsection shall inform the Police Department at the time of the need to initiate the work or if during nonbusiness hours of the City offices than upon resumption of business hours of the City. Any person responsible for emergency work shall take all reasonable actions to minimize the amount of noise pollution or vibration.

(b) Approved work. Upon timely application being made and the necessity therefore being established, the City Council may suspend the operation of this section for a specific purpose at a specific location and for a specific length of time by Council action and by giving public notice of the nature and limits of the suspension. The City Engineer may also authorize an exception for dewatering, mass grading, road construction, and other activities for Council approved projects.

C. Prohibited nuisances affecting general welfare.

(1) A violation of any provision of Ordinance No. 445, Zoning, or of a condition imposed under the authority of Ordinance No. 445, Zoning, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated pursuant to the abatement provisions provided within this chapter.

(2) A violation of any provisions of Chapter 227, Parking and Storage, Article III, Parking and Storage of Vehicles and Other Equipment, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated

FROM PUBLIC NOTICES, PAGE 17

pursuant to the abatement provisions provided within this chapter.

§ 216-5 Public Nuisance.

Whoever, by act or omission, causes a nuisance as defined in sections 216-2, 216-3 or 216-4 is guilty of maintaining a public nuisance and may be subject to abatement and/or prosecution as provided herein.

§ 216-6 Duties of City officers.

City officials may apply and enforce any provision of this ordinance relating to public nuisances within this jurisdiction. Any peace officer, community service officer or other designated city official shall have the power to inspect private premises and take all reasonable precautions to prevent the commission and maintenance of public nuisances. Except in emergency situations of imminent danger to human life and safety, no peace officer or designated city official will enter private property for the purpose of inspecting or preventing public nuisances without the permission of the owner, resident, or other person in control of the property, unless the officer or person designated has obtained a warrant or order from a court of competent jurisdiction authorizing entry.

§ 216-7 Abatement Process.

A. **Procedure.** Whenever the officer charged with enforcement determines that a public nuisance is being maintained or exists on premises in the City, the officer shall notify, in writing, the owner or occupant of the premises of such fact and order that such nuisance be terminated and abated. The notice shall specify the steps to be taken to abate the nuisance and the time, not exceeding 30 days, within which the nuisance is to be abated. If the notice is not complied with within the time specified, the enforcing officer shall report that fact forthwith to the Council. Thereafter, the Council may, after notice to the owner or occupant and an opportunity to be heard, provide for abating the nuisance by the City.

B. **Notice.** Written notice of the violation; notice of the time, date, place, and subject of any hearing before the City Council; notice of the City Council order; and notice of motion for summary enforcement hearing shall be served by a peace officer or designated official on the owner of record and occupant of the premises either in person or by regular, certified or registered mail. If the premise is not occupied, the owner of record is unknown, or if the owner of record or occupant refuses to accept notice, notice of the violation shall be served by posting it on the premises.

In the event a nuisance is abated to the satisfaction of the City but recurs within 180 days after such abatement, such recurrence shall be deemed to be a continuation of the same nuisance, and the council may proceed without additional notice or hearing to provide for abatement of said nuisance by the City. In such event, the City shall be entitled to recovery costs in the same manner as for the original abatement, as provided for in § 216-8 of this chapter.

C. **Emergency procedure; summary enforcement.** In cases of emergency, where delay in abatement required to complete the procedure and notice requirements are set forth in subdivisions A. and B. of this section will permit a continuing nuisance to unreasonably endanger public health, safety, or welfare, the City Council may order summary enforcement and abate the nuisance. To proceed with summary enforcement, the peace officer or other designated official shall determine that a public nuisance exists or is being maintained on premises in the city and that delay in abatement will unreasonably endanger public health, safety, or welfare. The officer or designated official shall notify in writing the occupant or owner of the premises of the nature of the nuisance, whether public health, safety, or welfare will be unreasonably endangered by delay in abatement required to complete the procedure set forth in subdivision A. of this section and may order that the nuisance be immediately terminated or abated. If the nuisance is not immediately terminated or abated, the City Council may order summary enforcement and abate the nuisance.

D. **Immediate abatement.** Nothing in this section shall prevent the city, without notice or other process, from immediately abating any condition that poses an imminent and serious hazard to human life or safety. Property/item(s) valued over \$100, as determined by the enforcing officer, will be held by the City for seven (7) days. Recovery of all costs incurred for the abatement must be paid by the owner prior to collecting any property/item(s).

E. **Unlawful parties or gatherings.** When law enforcement determines that a gathering is

creating such a noise disturbance as prohibited under Section Four, Subdivision B, the officer may order all persons present, other than the owner or tenant of the premises where the disturbance is occurring, to disburse immediately. No person shall refuse to leave after being ordered to do so by law enforcement. Every owner or tenant of such premises who has knowledge of the disturbance shall make every reasonable effort to see that the disturbance is stopped.

F. **Abatement of noxious weeds, rank vegetation, and tall grasses.**

(1) Notice. Written notice of the violation; notice of time, date, location, nuisance, which may include a height measurement of grass, will be sent to the property owner of record of the nuisance lot by posting a notice on the premise door and by mail. On identified foreclosed properties, a property contact will be attempted if the City has record of a party that is involved with the property. This contact is not necessary to effect establishment of a date certain for weed, vegetation, or grass nuisance abatement. The notice will identify a date certain for which the property must be mowed not to exceed 7 working days. The notice will also include the date of which a 7 working day re-inspection will occur.

(2) Abatement Process. If the owner of the property fails to comply within 7 days, the City shall provide for the abatement of the nuisance and authorize the City contracted mowing service or public works to mow the lot. The officer charged with enforcement shall keep records of the cost of abatement and shall provide information to the City Administrator or designee for assessment against the property in accordance with § 216-8.

(2) Reoccurrence. Once the nuisance has been abated on the property, the property will be monitored by re-inspection on a reoccurring 7 day cycle. If the property has no further noxious weed, rank vegetation or tall grass violations after being re-inspected twice, it will no longer be monitored. If the property continues to have the violation, the property will be abated every 7 days without written notification.

G. **Judicial remedy.** Nothing in this section shall prevent the city from seeking a judicial remedy when no other adequate administrative remedy exists.

§ 216-8 Recovery of cost.

A. Personal liability. The owner of the premises on which a nuisance has been abated by the City, or a person who has caused a public nuisance on property not owned by that person, shall be personally liable for the cost to the City of the abatement, including administrative costs. As soon as the work has been completed and the cost determined, the City Administrator or other city official shall prepare a bill for the cost and mail it to the owner. Thereupon the amount shall be immediately due and payable at the office of the City Administrator.

B. Assessment. After notice and hearing as provided in Minn. Stat. § 429.061, as it may be amended from time to time, if the nuisance is a public health or safety hazard on private property, the accumulation of snow and ice on public sidewalks, the growth of weeds and rank or tall vegetation on private property or outside the traveled portion of streets, or unsound or insect-infected trees, and noncompliant lawn sprinkling, the City Administrator or designee shall, on or before September 1 next following abatement of the nuisance, list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minn. Stat. § 429.101 against each separate lot or parcel to which the charges are attributable. The Council may then spread the charges against such property under that statute and other pertinent statutes for certification to the County Auditor and collection along with current taxes the following year or in annual installment, not exceeding 10, as the Council may determine in each case.

§ 216-9 Violations and penalties.

Any person convicted of violating any provisions of this chapter is guilty of a misdemeanor and shall be punished by a fine not to exceed \$1,000 or imprisonment for not more than 90 days, or both, plus the costs of prosecution in either case.

Section 3 – Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 1st day of December 2020.

**Article I
Street Naming and Numbering
§ 284-1 Treatment of existing
street names.**

All of the present names of the streets and public ways within the corporate limits of the City of Isanti as assigned and the designations formerly applied to said streets and ways, and whether the same have been fixed by dedication of plats as they appear on file in the office of the County Recorder of Isanti County or by common consent, or otherwise, are hereby revoked, set aside, and extinguished to the extent they are in conflict with the City of Isanti Street Naming and Lot Number Map referenced below.

§ 284-2 Map.

A. From and after the adoption, approval, and publication of this article, there is hereby established a City of Isanti Street Naming and Lot Numbering Map (hereinafter sometimes referred to as the "map"), which will be updated from time to time and is the responsibility of the Community Development Director or his/her designee to maintain. This map will be on permanent file for public inspection in the office of the Community Development Director or his/her designee. It shall be the responsibility of the City to maintain said map

B.
**§ 284-3 Type and placement of
numbers on buildings.**

A. New and existing buildings shall have approved address numbers, building numbers or approved building identification placed in a position that is plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Where required by the fire code official, address numbers shall be provided in additional approved locations to facilitate emergency response. Address numbers shall be Arabic numbers or alphabetical letters. Numbers shall be a minimum of 4 inches (101.6 mm) high with a minimum stroke width of 0.5 inch (12.7 mm). Where access is by means of a private road and the building cannot be viewed from the public way, a monument, pole or other sign or means shall be used to identify the structure. Address numbers shall be maintained.

B. In case a principal building is occupied by more than one business or family dwelling unit, each separate front entrance of such principal building shall bear a separate number, to include a unit number or suite number, if so

assigned.

§ 284-5 Street naming plan to be shown on preliminary plats.

The developer, builder, or person making application for preliminary plat shall submit a street naming plan as hereinabove set forth, for review by the Community Development Director or his/her designee. The assignment of names and numbers by the Community Development Director or his/her designee shall be final.

§ 284-6 Naming and numbering policy.

A. City streets shall not be required to fall into any pattern of alphabetical sequence.

B. Major emphasis shall be given to avoiding duplicate and similar sounding names.

C. For all future developments, east-west streets will be designated as streets, and north-south streets will be designated as avenues. Upon approval by the City Council, other designations may be approved, such as parkways, boulevards, trails, courts, etc.

D. Existing street names shall be extended where practical. Avenues shall be numbered and placed within sequential order from the zero starting point.

E. The intersection of the Burlington Northern Railroad line and Main Street shall be considered the zero starting point for the purpose of the lot-numbering system.

F. Numbers shall be assigned to each block in increments of 100 for each block progressing northerly, easterly, southerly, and westerly from said zero starting point.

G. Even numbers shall be assigned to lots on the north side of streets running east-west and on the east side of avenues running north-south.

H. Odd numbers shall be assigned to lots on the south side of streets running east-west and on the west side of avenues running north-south.

I. Where, in the past, odd and/or even numbers have already been assigned along the majority of a street segment and they are not in accordance with the regulations provided in this article, the Community Development Director or his/her designee may continue to assign numbers in accordance with the existing numbers provided.

J. Ordinals shall be placed at the end of each street name, to include NW, SW, NE, or SE, depending upon the location of the street within the City of Isanti street grid system.

K. Street names located on the east side of Trunk Highway 65 shall be consistent with those street names located on the west side of Trunk Highway 65.

L. The City of Isanti has been granted authority through joint resolution with Isanti County to re-address in accordance with this article any property in the Tier One Area. When it has been identified by the appropriate public safety authority that public safety will be enhanced by renumbering and establishing new street names in accordance with this article, the Planning Commission will hold a public hearing to consider such proposals and make recommendations to the City Council for re-addressing in the Tier One Area.

§ 284-7 Powers of the Community Development Director or his/her designee.

A. The Community Development Director or his/her designee shall keep an up-to-date record of all names and numbers assigned under this article.

B. The Community Development Director or his/her designee shall assign to any property owner in the City of Isanti, upon request, a number for each principal building or separate front entrance to such building. In doing so, he/she shall assign only those names and numbers assigned under the provisions of this article; provided, however, that the Community Development Director or his/her designee may assign additional names or numbers in accordance with the system established on the City of Isanti Street Naming and Lot Numbering Map whenever the property has been subdivided, a new front entrance opened, or undue hardship has been worked upon any property owner.

§ 284-8 Violations and penalties.
Violation of this ordinance shall be a misdemeanor and may be punishable by a fine not to exceed \$1,000 or imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

**Article II
Location and Maintenance of
Sidewalks**

§ 284-9 Purpose.

The purpose of this article is to ensure the proper placement, location and maintenance of sidewalks. This will allow our citizens the ability to walk, bicycle, and other means of nonmotorized vehicle use to go from place to place within the City.

§ 284-10 Sidewalk location; exemption.

A. Sidewalks shall be placed on the west side and the north side of every street, cul-de-sac, or other necessary area within the City. City staff can modify the location of sidewalks to the other side of the roadway in order to promote contiguous sidewalks and safer pedestrian movement.

B. Industrial Zones are exempt from placing sidewalks, but placing City trails is allowed.

§ 284-11 Maintenance required; replacement of damaged sidewalks.

It is the duty of the property owner abutting on any sidewalk to maintain said sidewalk in a clear, safe and walkable condition.

§ 284-12 Notice to repair.

Whenever any public sidewalk becomes broken, cracked, raised or otherwise in disrepair so as to constitute a hazard to the public passage due to the act or omission of the property owner or the owner's family, agents or guests, or due to plant roots, the Public Works Department shall give notice in writing of such condition to the owner of the premises abutting the sidewalk. The owner of the property shall be given 30 days from the receipt of the notice to make repairs.

§ 284-13 Failure to repair; cost of repair made by City.

A. If the owner of the premises fails to make such repair within 30 days of being so notified, the Council shall order the necessary repairs made.

B. The cost of such repairs shall constitute a lien against the premises. If the cost of such repair is not paid to the City by September 15 following the making of repairs, the cost shall be certified to the County Auditor as a special assessment against the premises, to be collected in the same manner as any other special assessment.

§ 284-14 Snow removal.

Unless exempted by the City Council, no person shall permit an accumulation of snow or ice to build up or remain on any public sidewalk abutting or otherwise serving lots or parcels located in the City of Isanti 48 hours after public works has completed the removal of a snow event for the purposes of this section, "person" means the owner of record of the lots or parcels or in the event that the premises of any given parcel is under the control of a person other than the owner through a lease or rental agreement, then in that event the lessee or renter shall be responsible for the snow removal required in this article, unless by written agreement the owner is obligated to remove snow and ice from affected sidewalks. If snow or ice is not removed, the City will consider this a nuisance violation in accordance with Chapter § 216. Depending on the severity, the City may have public works or hire a company to remove the snow accumulation and/or ice and bill the property owner for such cost. Any snow and/ or ice events less than 2 inches, in which case the Public Works may not clear, is the property owner's responsibility.

§ 284-15 Construction specifications.

A. Sidewalks shall be five feet wide with six-foot boulevards.

B. Sidewalks must be constructed of portland concrete four inches thick; five inches thick where the sidewalk is part of the driveway.

C. Sidewalks shall be constructed on a three-inch sand cushion. The sand shall be equal to MNDOT regulations and the Isanti engineering design standards.

D. Pedestrian curb ramps for ADA compliance shall be installed on all corners according to MNDOT and City Engineer specifications.

E. The City Engineer and/ or Building Official must inspect sidewalk construction.

F. All materials, workmanship, and details of the construction of sidewalks on the public rights-of-way of the City shall be in accordance with the current plans and specifications of the City Administrator or designee.

§ 284-16 Materials on streets, alleys, sidewalks, or public way.

A. No person shall encumber any street, alley, sidewalk, or other public way with barrels, boxes, cans, articles, or any other substances or objects that interfere with the free and unobstructed use thereof. For the purposes of this section, "person" means the responsible owner of record, renter, or occupant of the abutting lot parcel, or building. Such items shall be immediately removed, upon notice from the City to do so. Any such encumbrance shall be deemed a public nuisance in accordance with Chapter § 216 of City Code. Any items deemed to constitute a serious and immediate public health or safety concern may be immediately abated by removal by the City, without prior notice of such abatement, provided notice of such abatement shall be provided to the offending owner of record, renter or occupant of the adjacent lot, parcel or building as soon thereafter as reasonably practicable.

B. Exceptions. Authorized commercial loading zones and

community events approved through the appropriate City process and which utilize public streets, alleys, sidewalks, or other public ways are exempt from these provisions.

§ 284-17 Violations and penalties.

Violation of this article shall constitute a misdemeanor punishable by a fine of not to exceed \$1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

**Article III
Traffic Regulations**

§ 284-18 Minnesota Statutes adopted by reference.

Except as otherwise provided in this chapter, the regulatory and procedural provisions of the Minnesota Statutes, Chapters 168 and 169 (commonly referred to as the "Highway Traffic Regulation Act") and Chapter 171 as amended are hereby incorporated herein and adopted by reference, including the penalty provisions hereof.

§ 284-19 Exhibition driving.

A. Prima facie evidence. It shall be prima facie evidence of exhibition driving when a motor vehicle stops, starts, accelerates, decelerates, or turns at an unnecessary rate of speed so as to cause the tires to squeal, or gears to grind, or sand, gravel or soil to be thrown or an engine to backfire or fishtailing or skidding, or as to two- three- or four-wheeled vehicles, the front tire(s) to lose contact with the ground or roadway surface.

B. Unlawful act. It shall be unlawful for any person to do any exhibition driving on any street, parking lot, or other public or private property, except when an emergency creates necessity for such operation to prevent injury to persons or damage to property; provided that this section does not apply to driving on a licensed racetrack with permission and under the auspices and direction of the licensee.

§ 284-20 Violations and penalties.

Violation of this article shall constitute a petty misdemeanor punishable by a fine not exceeding \$300, plus the costs of prosecution.

Section 2 -Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 1st day of December 2020.

PROBATE

**STATE OF MINNESOTA
COUNTY OF ISANTI
DISTRICT COURT**

TENTH JUDICIAL DISTRICT
Court File No.: 30-PR-20-64

In Re: Estate of
Wendy J. Balzer,
Decedent.

**NOTICE OF INFORMAL
PROBATE OF WILL AND
INFORMAL APPOINTMENT OF
PERSONAL REPRESENTATIVE
AND NOTICE TO CREDITORS**

Notice is given that an Application for Informal Probate of Will and Informal Appointment of Personal Representative was filed with the Court Administrator, along with a Will dated October 19, 2007. The Court Administrator accepted the application and appointed David J. Balzer, whose address is 150 300th Trail NE, Isanti MN 55040, to serve as the personal representative of the decedent's estate.

Any heir, devisee or other interested person may be entitled to appointment as personal representative or may object to the appointment of the personal representative. Any objection to the appointment of the personal representative must be filed with the Court, and any properly filed objection will be heard by the Court after notice is provided to interested persons of the date of hearing on the objection.

Unless objections are filed, and unless the Court orders otherwise, the personal representative has the full power to administer the estate, including, after thirty (30) days from the issuance of letters testamentary, the power to sell, encumber, lease, or distribute any interest in real estate owned by the decedent.

Notice is further given that, subject to Minn. Stat. § 524.3-801, all creditors having claims against the decedent's estate are required to present the claims to the personal representative or to the Court within four (4) months after the date of this notice or the claims will be barred.

A User’s Guide to County Financial Statements		
The following definitions will help citizens understand the terminology that is used in the county’s financial statement.		
Basic Financial Statements		
Isanti County's basic financial statement consists of three parts: government-wide financial statements, fund financial statements, and notes to the financial statements. The management’s discussion and analysis and certain budgetary comparison schedules are required to accompany the basic financial statements and, therefore, are included as required supplementary information in the full and complete set of Isanti County's financial statements available upon request.		
Government-wide financial statements display information about the county’s financial reporting entity as a whole, except for its fiduciary activities. These statements should present separate information for the governmental activities of the county (primary government) as well as its component units.		
Fund financial statements display separate financial information for the county's governmental and fiduciary funds. Information for governmental funds is presented separately for major funds. Fiduciary fund information is presented in aggregate by fund type.		
Notes to the financial statements provide additional detail and disclosure for information in the financial statements. These notes may be found in the full and complete set of Isanti County's financial statements available upon request.		
Governmental activities are generally activities of the county financed through taxes, intergovernmental revenues, and other non-exchange revenues. These activities are usually reported in governmental funds.		
Financial reporting entity consists of the primary government (county), other organizations for which the county is financially accountable, and other organizations for which the nature and significance of their relationship with the county are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The primary government, the county, is the nucleus of the county's financial reporting entity.		
Primary government is a term used in connection with defining the financial reporting entity. The primary government is the focus of the financial reporting entity. For the county, the primary government represents the financial activities, funds, or accounts directly under the control of the county board.		
Component unit describes a legally separate organization for which the county board is financially accountable. In addition, component units can be other organizations for which the nature and significance of their relationship with the county are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Isanti County classifies the Isanti County Economic Development Authority (EDA) as a component unit, but the EDA has not conducted any financial operations and, therefore, is not included in the county's financial statements.		
County Governmental Fund Types		
The General Fund is the general operating fund of the county. It is used to account for all financial resources, except those that are required to be accounted for in another fund.		
Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted for specified purposes. The county reports two special revenue funds: the Road and Bridge Fund and the Human Services Fund.		
Debt Service Funds are used to account for the accumulation of resources for, and the payment of principal, interest, and related costs of general long-term debt.		
Capital Projects Funds are used to account for financial resources to the used for the acquisition or construction of major capital facilities.		
County Fiduciary Funds		
Agency Funds are used to account for assets held by the county as an agent for individuals, private organizations, other governments, or other county funds (such as taxes collected and held by the county for a school district).		
Character Classification of County Expenditures		
The county's governmental expenditures are classified by character or the periods expenditures are presumed to benefit. The county has the following character classifications:		
Current operating expenditures are presumed to benefit the current fiscal period.		
Debt service is presumed to benefit prior fiscal periods as well as current and future periods and includes amunt expended for the payment of principal, interest, and other costs associated with debt.		
Capital outlays are presumed to benefit current and future fiscal periods and include amounts expended for the construction or acquisition of county capital assets.		
Intergovernmental expenditures represent resources transferred by the county to other governments.		
Classification of County Functions		
Functions are a group of related activities aimed at accomplishing a major service or regulatory program for which the county is responsible. The county has the following function classifications:		
The General Government function includes expenditures for general county activities such as the county commissioners, county administration, county attorney’s office, county auditor-treasurer’s office, county assessor’s office, court administration, the planning and zoning office, and other county general service offices.		
Public Safety relates to the objective of protection of persons and property and includes expenditures for corrections activities, operations of the sheriff’s department, the county jail, and emergency services.		
Highways and Streets includes expenditures relating to the construction and maintenance of county highways and streets.		
Human Services represents activities designed to provide public assistance and institutional care for individuals unable to provide for their own essential needs. These programs include child support collection, child welfare, chemical dependency, medical assistance, and others.		
Health involves all activities involved in the conservation and improvement of public health. This function includes expenditures for the county public health department, nursing services, maternal and child health, supplemental nutrition programs, and programs to protect public and private water systems.		
Culture and Recreation involves cultural and recreational activities maintained for the benefit of county residents and visitors. These activities include county libraries, parks, and other recreation programs.		
Conservation of Natural Resources involves activities designed to conserve and develop such natural resources as water, soil, and forests and includes such programs as soil and water conservation and county extension.		
Economic Development activities are directed toward economically developing the county and providing assistance to (and opportunity for) economically disadvantaged persons or businesses.		
Transit activities include public transit programs conducted by the Chisago-Isanti Heartland Express.
