(a) Purpose. The purpose of this section is to provide standards for accessory dwelling units (ADU's) that offer additional housing opportunities while preserving the character of existing residential neighborhoods. These standards are intended to ensure that ADU's remain subordinate to the principal dwelling and are compatible with surrounding residential development.

(b) Applicability. Accessory dwelling units may be permitted as a Conditional Use in the AG Agricultural, RR Rural Residential, and R-1 Single-Family Residential zoning districts. ADU's shall comply with all provisions of this section in addition to the regulations of the underlying zoning district.

(1) Attached ADU: Located within or physically attached to the principal dwelling.

(2) Detached ADU: Located in a detached accessory structure subordinate to the principal dwelling.

(e) General Standards.

(1) Only one (1) accessory dwelling unit shall be permitted per property.

(2) A legally established principal single-family dwelling shall exist on the property prior to approval of an accessory dwelling unit.
