

FILING CLAIMS FOR MONETARY SETTLEMENTS DUE TO ASBESTOS EXPOSURE

Worker or Retiree:

There is approximately 33 Billion Dollars that has been set aside for victims of Asbestos Exposure. This money was set aside by Manufacturers of asbestos products when those companies filed for Bankruptcy Protection. The money sits in numerous Bankruptcy Trusts.

You may qualify for significant payments from these trusts. In order to file a claim, a worker or retiree has to meet several criteria:

1. Worked around Asbestos in any factory, power plant, paper mill, foundry or other setting for at least 5 years PRIOR to 1983 (Veterans can count their service in the Navy);
2. Must have never filed an asbestos claim before.

Claims are worth THOUSANDS of dollars for qualified workers and retirees.

[Even if the worker or retiree has died in the last 5 years, we may still be able to help]
