WHY SHOP LOCAL?

TO INVEST IN COMMUNITY

Local businesses are owned by people who live in this community, are less likely to leave, and are more invested in the community's future.

TO PUT YOUR TAXES TO GOOD USE

Local businesses in town centers require comparatively little infrastructure investment and make more efficient use of public services as compared to nationally - owned stores entering the community.

TO KEEP OUR COMMUNITY UNIQUE

Where we shop, where we eat and have fun — all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of this place. Our tourism businesses also benefit.
