At First Financial, we understand that every homebuyer's situation is different. Before recommending a loan option, we'll take the time to ask questions and learn your specific needs. We'll also provide feedback every step of the way so there are no surprises when your loan is ready to close. If you're planning to buy, build or refinance, put our experience to work for you. **Contact Mike Sturdyvin or Wayne Bolton at 217-351-6620 for more information or visit our website to check rates, get a Quick Quote or apply online.**
