To whom this may concern:

Professional agencies are important to the sound management of our local government. Insurance, HR, auditors and other agencies in the like are crucial to mitigating risk of the tax payers. Unfortunately, what I have witnessed is a gross disregard of board policy that was developed by recommendation of those professional agencies. I do not wish to be a part of this any longer or in the future.

Please give notice of my resignation from the board effective immediately.

Respectfully
Robert Orman

Subject: Bennett Resignation

To whom it may concern.

I, Mark Bennett hereby resign my position on the Shelby County Board District 2, Effective immediately.

For which in the last four years the audits have disclosed procedures and policies with which need to be followed and an unwillingness by many of those employed by Shelby County, as well as the public, to accept these changes. The Constitution comes first and foremost.

Bobby Orman was a great Chairman for Shelby County. Thank you, Bobby, and many of my colleagues.

Harassment has no place in our day-to-day representation as a board member. I encourage all people to educate themselves on The Constitution.

Sincerely,

Mark Bennett
