Honoring 250 Years of Courage & Valor.

USMC Anniversary Commemorative

Showcasing Artistry by
Acclaimed Artist
James Griffin

250 YEARS
1775-2025

Always Faithful, Forever Remembered.

For 250 years, the United States Marine Corps has stood as America’s elite fighting force. Born in Philadelphia in 1775, the Marines have been “first to fight” in every American conflict since. The title of Marine is earned, never given, which is why they’re called “The Few. The Proud.”

To honor this legacy, the “**USMC 250th Anniversary Commemorative**” exclusive tribute features a breathtaking visual narrative of Marine Corps history by renowned artist James Griffin, specially created for this piece. Standing before Griffin’s artwork is a finely detailed U.S. Marine figurine in full Dress Blues uniform, meticulously handcrafted and painted by hand.

This commemorative stands as a tribute to every Marine who has donned the Eagle, Globe, and Anchor—from the battlefields of Belleau Wood to the desert mountains of Afghanistan. It serves as a reminder of the enduring legacy of the Marine Corps and the sacrifices made by Marines to keep our nation free.
