Lincoln Treasury. In fact, we won't be surprised if thousands of residents order up as many Silver Vault Bags as they can get their hands on before the deadline ends. That's because the State Minimum set by the Lincoln Treasury has been reduced to just \$39 for each solid silver one-quarter ounce bar for everyone who gets the vault bags. And since each Silver Vault Bag contains 10 pristine State Silver Bars for just \$390 we're guessing state residents will be claiming two or more bags while they're up for grabs. But all those who really want to cash in are taking the Jumbo Silver Ballistic Bags containing 100 State Silver Bars before the deadline ends and the State Minimum set by the Lincoln Treasury goes up to \$590 per Vault Bag. In fact the State Minimum set by the Lincoln Treasury is reduced even further for those getting the Jumbo Bags so just be sure to ask the National Silver Uptempo operator for your

► **How much are the Silver Vault Bags worth:** It's hard to tell how much these Silver Vault Bags could be worth since they are in pristine condition, but those who get in on this now will be glad they did. That's because the State Minimum set by the Lincoln Treasury goes up to \$590 per bag after the deadline ends. So you better believe that at just \$390 the Silver Vault bags are a real steal for everyone who beats the deadline.
