

LINCOLN JOURNAL STAR

ACADEMIC ALL-STATE

The Lincoln Journal Star's 2020-21 honorees

WHO WAS ELIGIBLE?

Student-athletes who are juniors or seniors can be nominated by their coach or another representative of their high school. Nominees, however, must carry a cumulative grade-point average of 3.6 or better on a 4.0 scale and be a varsity starter. Among non-starters, one individual who contributes significantly to his or her varsity team could also be nominated.

HOW WERE THE SELECTIONS MADE?

The Journal Star staff evaluated each nomination, weighing factors relating to both athletic and academic achievement. Therefore, it is possible for a nominated student-athlete to qualify for Academic All-State in one sport but not another. NOTE: These selections are not associated with the NSAA academic all-state awards.

I DON'T SEE MY SCHOOL LISTED

With nearly 220 schools submitting nomination forms, it's possible for a form to get lost in the shuffle. However, if you don't see a school listed below, it's likely because the school didn't submit names.
