

Short Journeys to State Titles for Utica and De Witt

Hope for Gibbon, Herman

'63 Champions
2nd in 1962

By CONDE SARGENT
Prep Sport Writer

De Witt and Utica concluded last year to be more than any Nebraska high school basketball teams at the recent state tourney.

Today they can add Nebraska Prep Ratings championship to their state tourney laurels. Utica's the titleist and De Witt the runner-up.

Only Lincoln High, which scores 100 percent, is better than the big carna-

val. Two fresh lower class-

champs took advantage of their short jinkets, roaring home through the tourney's 3 days.

De Witt's claim to the rat-

ing title is that it was pre-tourney

contested. The Panthers didn't

lose in 22 outings.

Lincoln Dept. was run-

ning in the final chart.

Utica lost once — to Sew-

ell and Lincoln — but whittled

all other contests to a

22-2 mark.

The runnings in each

class were pegged for

No. 2 spots in the final poll.

Gibson in C and Herman in D.

De Witt's one notch im-

provement to its title from

last year can easily be fol-

lowed by both Gibbon and Herman.

The two had young teams

key players back for next

year.

Class D all-tourney play-

ers Robbie Andrews and Tom

Green of Herman are per-

manent fixtures, while

64 Kurt Lauer will be

back with Gibbon for another

year. Both will be back with

Rich Robinson and Don

Kelper.
