## Nebraska GOP chairman: Party flyer targeting legislative candidate 'crossed the line'

*I'm Sorry!*

Dear Republican Voter,

A few months ago, leading up to the May 2020 primary election, you may have heard from the Nebraska Republican Party. We sent out a mailer attacking Janet Palmtag that **was not in good taste and it crossed the line!** I'm sorry!

Janet Palmtag is a good person.  
Janet Palmtag is a good Republican.

### Why did they link me to Ernie Chambers?

"Because we both criticized giving out a \$58,000 pay raise to the Director of Prisons when our prisons are failing. We can't fix high property taxes with runaway spending like giving a 30% raise to a failed state employee!"
