I had the honor of helping you kick off your week long celebration of your 21st B'day. We met for Breakfast and really had a good time catching up on what was going on in your life.

My card to you wasn't a typical Bday card but it said things I felt and wanted to express to you.

You gave me hug and whispered in my ear that "we did have a special relationship." That meant everything to me. I have always felt a special connection to you but it warmed my heart to hear you say it to me.

You are special in so many ways. And I'm so proud of you and love you more than you know.

Thanks for being special to me!!

Love Grandpa
