Re: Request for Special Session

Dear Governor:

Although the statutes do not require me to do so, I am writing informally to confirm to you that, on October 19, 2021, I received a written request duly made under Section 50-125, N.R.S., that the Legislature meet in special session. I notified all other members of the Legislature in accordance with the requirements of the aforementioned statute.

Twenty-six senators signed the initial request. Subsequently, within the time limit set by the statute, two other senators joined the request.

Therefore, because the statutory threshold has not been met, I shall not be certifying to you that a sufficient number of senators have requested the convening of a special session under the statute.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Robert B. Evnen", is written over a faint, larger version of the same signature.
