The Nebraska State Patrol is denying your request for Troop H evidence audits because that information is investigative in nature. This is pursuant to Neb. Rev. Stat. § 84-712.05 subsection (5).

This partial denial is at the direction of Jessica Forch, Attorney III, for the Nebraska State Patrol.

You have administrative and judicial rights of review. If you believe you have been denied any rights granted by sections 84-712 to 84-712.03, you may elect, pursuant to section 84-712.03, to:

1. File for speedy relief by writ of mandamus in the district court within whose jurisdiction the state, county, or political subdivision officer who has custody of the public record can be served; or
2. Petition the Attorney General to review the matter to determine whether a record may be withheld from public inspection or whether the public body that is custodian of such record has otherwise failed to comply with such sections.

Sincerely,
