

# ACADEMIC ALL-STATE

---

The Lincoln Journal Star honors the 2018-19 recipients

---

## **WHO WAS ELIGIBLE?**

Student-athletes who are juniors or seniors can be nominated by their coach or another representative of their high school. Nominees, however, must carry a cumulative grade-point average of 3.6 or better on a 4.0 scale and be a varsity starter. Among non-starters, one individual who contributes significantly to his or her varsity team could also be nominated.

## **HOW WERE THE SELECTIONS MADE?**

The Journal Star staff evaluated each nomination, weighing factors relating to both athletic and academic achievement. Therefore, it is possible for a nominated student-athlete to qualify for Academic All-State in one sport but not another.
