Tweaking Herbie

How white supremacy changed Herbie Husker, who’s no longer signaling ‘a-OK’

By Jordan Pascale

For nearly 50 years, fans have loved the burly Husker mascot by a Minneapolis police officer.

That, in turn, gave Herbie’s creation a new meaning.

That contrasted with the mascot’s old meaning.

The new meaning was brought to the attention of Lonna Henrich, the UNL athletic department’s licensing and branding director, in July 2020, just weeks after Gov. Pete Ricketts’ decision to reject federal assistance prompting a complaint from some Omaha-area senators.

The reasoning was brought to the attention of Lonna Henrich, the UNL athletic department’s licensing and branding director, in July 2020, just weeks after Gov. Pete Ricketts’ decision to reject federal assistance prompting a complaint from some Omaha-area senators.

The reason for that slight switch: white supremacists and Internet trolls and white supremacy groups have tried to link white power, claiming the three fingers up form a W and the circle and weird term ‘OK’.

New Herbie Husker (top) and old Herbie Husker (bottom) logos appear alongside each other on T-shirts at Husker Hounds at 84th and Center in Omaha.
