

Over 26 years
helping people to
hear more clearly

DO YOU OR SOMEONE YOU KNOW HAVE HEARING LOSS?

**Take this self test to see if
you should schedule a FREE
hearing test and consultation.**

1. Do you hear but not understand because the speech is not clear?
2. Do you have difficulty understanding speech because others mumble?
3. Do you turn up the TV in order to hear more clearly?
4. Do you often ask others to repeat what they said.
5. Do you have difficulty hearing in noisy places like restaurants and parties?
6. Do you require others to look at you when they speak?
7. Do you have difficulty hearing on the phone?
