Honor America's 250th anniversary with the "America the Beautiful" Illuminated Musical Tree only from The Bradford Exchange.

Standing over a foot tall, this handcrafted collectible tree shines with red, white, and blue brilliance from top to base. Shimmering sculpted blue "branches" sparkle with silver and red beading, while glittering silver star ornaments. Five bubble lights decked in patriotic red and white stripes adorn the front of the tree. At the flip of a switch, this tree lights up from the color-changing bubble lights, as well as 20 red, white and blue mini lights within the tree. The sculptural base shines a holiday glow through the star cutouts as well as from the jumbo bulbs that encircle it. The illuminated, crystalline topper crowns this radiant display.
