Innovative lighting creates a sparkling winter wonderland

A Bradford Exchange Exclusive design, the Thomas Kinkade "Sparkle of the Season" Illuminated *Always in Bloom*® Lantern Collection is comprised of hand-crafted, burnished metal lanterns in traditional designs. Beginning with Lantern One, "Love," each lantern houses a fully-dimensional, miniature sculpture recreating one of Thomas Kinkade's classic holiday paintings. The inviting homes are hand-cast and hand-painted in intricate detail, and light up from within at the touch of a switch. But it is the lights in the Christmas Eve sky above each home that truly make these lanterns shine. Attached to nearly invisible, thin strands of wire, abundant white lights sparkle above each holiday scene inside the lanterns. What's more, crowning each lantern is a hand-crafted *Always in Bloom*® poinsettia and pine arrangement, each made from materials rivalling the look and feel of the real thing. Tied with festive holiday bows, these flowers and pines will never fade from the peak of their beauty.

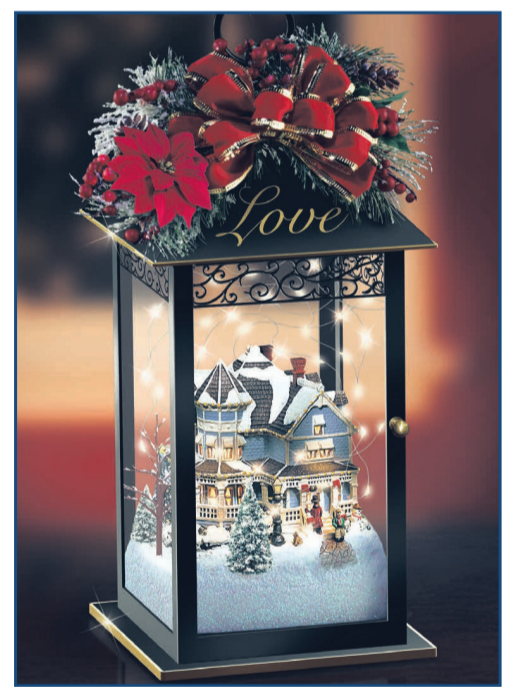

Each individual poinsettia blossom and pine bough is hand-made from naturally textured materials that will look fresh and real for years to come.
