HONORING OUR VETERANS

Yesterday was Veterans Day. Veterans Day is a federal holiday observed on November 11 each year. Veterans Day honors all military veterans, whether they served in war or peace time, whether they lost their lives, returned home, or are currently serving. Its observance on November 11 relates to the end of World War I, historically regarded as occurring at the 11th hour of the 11th day of the 11th month of 1918. In some other countries, the day is recognized as Armistice Day or Remembrance Day. Originally recognized in the U.S. as the federal holiday "Armistice Day" in 1938, the name was officially changed to "Veterans Day" to honor all US veterans in 1954. Veterans Day is not to be confused with Memorial Day, which specifically honors those who lost their lives in service to our country. Take time to thank all the veterans you know for their service. After all, freedom is not free. At Pruitt Zabkowicz S.C., we recognize and respect all veterans, and would be honored to assist with your legal needs. Mention this column for a veteran's discount.
