Announcing the 2024 Best of Racine County Winners!

Cash registers, work vehicles, front doors and front windows are just a few of the places throughout the community where you're likely to see "The Best of" decals.

Each business, organization or individual has earned the accolade by providing great service to our friends and neighbors.

"The Best of" designation is truly a community award – residents submit nominations for each category and the winners are selected by the public.

We are truly thankful for the continued community support of the program – from the businesses, organizations and individuals that participate to the folks who take the time to nominate and vote for their favorites, none of this would be possible without each and every one of you.

Congratulations are in order all around.

R. P. RASMUSSEN & CO.

In order to be successful in the jewelry business, a man must be known to be of the highest character, and thoroughly reliable, a man of his word in every sense, as the people have to repose the utmost confidence in the person from whom they purchase jewelry of any kind. An establishment which has earned the entire confidence and good will of the people is the modern jewelry store conducted by R. P. Rasmussen & Company, and located at 904 State street. This company carries a large and well selected stock of all kinds of jewelry, watches, diamonds, etc., and a splendid assortment of cut glass which is the equal of any stock shown in this section of the state. The company is composed of Mr. R. P. Rasmussen and Mr. J. Jensen, and these gentlemen have established an enviable reputation for handling only the highest quality of goods, priced reasonably. Messrs. Rasmussen and Jensen are practical business men of ability, and they are thoroughly familiar with every detail of this business. They make a specialty of fine repairing and engraving, which is done promptly and at low prices. These gentlemen will treat you right at all times, and they are numbered among our city's most wide-awake and progressive business men.

Some things
never change.
