Racine County homeless

Of the 1,068 homeless people who received services in 2018, a majority were single adults and 47 were identified as chronically homeless. There is a significant racial disparity for blacks compared to other races.

By race

By ethnicity

28% (297) Young adults ages 18-24 8.4% (90) Chronic homeless **4.4%** (47)

Unaccompanied children 3.9% (42) * Population is based on the U.S. Census American Community Survey 2013-2017 estimates. Methodology for measuring race differs from the

68% (729)

homeless survey. Multiracial responses are included in Other.
