

- 1) Altruize [www.altruize.com](http://www.altruize.com)

"Altruize is an app that enables volunteers to track, verify and maintain their own community service data for a life-time. We are your accountability partner for your altruism (AKA kindness). Altruize helps individuals and organizations of all types and sizes to have a more meaningful impact in their communities

- 2) Giftinity: [www.giftinity.us](http://www.giftinity.us)

Giftinity is an automated gift giving concierge that enables the average gift giver to better personalize gifts for any occasion through its curated recommendation engine.

- 3) Greater Than: no website yet.

Greater Than provides mental health support and resources to teenagers. We host events at middle and high schools with mental health speakers and local resources. We will also develop a website that will have age specific resources, a service that will find specialists in your area, and even host online therapy sessions.

- 4) Lovely Day Bar [www.lovelydaybar.com](http://www.lovelydaybar.com)

Lovely Day Bars™ are the perfect vegan, top 8 allergen free snack, balancing a great taste while high in fiber and plant-based ingredients! Lovely Day Bars™ mission is we believe that everyone

should be able to enjoy flavorful snacks safely. I tried for a long time to find a snack bar without nuts, gluten or dairy that tasted great for my wife and daughter and just couldn't find one! I left my job and we created Lovely Day Bars, so that as many people as possible can enjoy a great tasting snack bar.

- 5) Nyssa: [www.nyssacare.com](http://www.nyssacare.com) Could not find a logo online

The first hands free mirror to see the vulva. It rests between the thighs, is empathetically designed, patented and used for self check and self advocacy. If we can see all of our bodies, imagine how empowered we could be.

- 6) Perceive Now: [www.perceivenow.ai](http://www.perceivenow.ai)

This use of location-based interactive technology UNLOCKS positive economic impact for the local community. Enabling people to discover and engage with local communities. Through location-based audio and video-guided tours and immersive experiences.

10) Team Remote: [www.remoteshare.io](http://www.remoteshare.io)

**Remoteshare**  
Find the space to do the work you love.

Remoteshare is a monthly subscription marketplace where remote working members can access affordable, sanitized workspaces created by Remoteshare Hosts! Here's how it works... we outsource our supply by partnering with vetted property owners of residential & commercial spaces who host remote working members during the daytime. We acquire B2C, and B2B members seeking to adopt remote-working models across Chicago. Once remote professionals confirm their identity and create a profile- they can browse & book unique, creative workspaces with Remoteshare Hosts!
