RE: KORA request #2015-89 for documents related to final results

Dear Mr. Kautsch,

On April 2, 2015, the University of Kansas (KU) received your email and attached letter of the same date requesting records pursuant to the Kansas Open Records Act (KORA). As required by KORA, the University is responding to your request within the third business day following its date of receipt.

Your letter states, in relevant part:

The Kansan hereby requests that the University of Kansas disclose documents related to the final results of any disciplinary proceeding for each of the 32 individuals who are identified by number and listed on the Sanctions for Violation of Sexual Harassment Policy at <https://studentaffairs.ku.edu/sanctions-violation-sexual-harassment-policy>, including the violation committed and any sanction imposed. For each of the disclosed records, any names would of course be redacted, and the records could instead be identified by one of the corresponding 32 numbers that appear on the university's website.

The University charges all requestors in advance for the time required to retrieve, review, and produce available public records as allowed by K.S.A. §45-219(a). The University has calculated the following fee estimate for retrieval, review and production of the requested records:

\$260.00	4 hours of manager time at \$65/hr.
\$33.00	1 hour of staff time at \$33/hr.
\$1.50	digital transmission (or mailing) fee
\$294.50	total estimated fees

If you wish to proceed with this request, please send payment by check made payable to "The University of Kansas" in the amount of the total estimated fees and mail to my attention at the following address: Custodian of Public Records / The University of Kansas / 223 Strong Hall / 1450 Jayhawk Blvd. / Lawrence, KS 66045.

In the event that the estimate is less than the actual time required to produce the records, you will be invoiced for the balance of fees incurred prior to their production; if however, the actual time required is less than the estimate, you will be refunded any difference exceeding \$5.00 (the minimum refundable amount).

Thank you for your attention and cooperation.

Sincerely,

Andy Foat
Custodian of Public Records
The University of Kansas
