American Funeral Director's Education Guide 2026

American Funeral Director believes that developing the next generation of funeral directors is essential in adding real and sustained value to the profession. By offering quality higher education, mortuary schools play a critical role in equipping future funeral professionals with the skills to deliver meaningful grief support and achieve success in their careers.

FUNERAL SERVICE

CAPE COD COMMUNITY COLLEGE
Powerful Futures Start Here

The only Funeral program in New England With dorms and distance education.

Conveniently located – The 4Cs Funeral Service program is housed entirely on the campus of Bridgewater State University.

One-of-a-Kind HyFlex Classes – Take classes in our program wherever you are using the 4Cs HyFlex model. This allows you to Zoom right into a class happening in-person and get the exact same experience using DTEN technology.

Diverse education – Discover a curriculum that teaches you the necessary face-to-face skills needed to connect with clients, the scientific skills to necessary to perform the job, and a diverse educational foundation that showcases funeral services across multiple faiths and practices.
