RE: Governor's recommendation to repurpose NCYF

Governor Pillen's Mid-Biennium Budget Adjustments, released today, recommends repurposing the Nebraska Correctional Youth Facility (NCYF). Under this recommendation, the current NCYF population would be relocated to other NDCS facilities, and the Nebraska Department of Health and Human Services (DHHS) would transition the Youth Rehabilitation and Treatment Center—Kearney to the NCYF campus.

Please know that we are committed to sharing updates with the team as more information becomes available.
