[redacted] then explained that [redacted] continued to walk away from the van and a neighbor happened to be outside who saw the van and the [redacted] stated that when the driver of the van saw the neighbor, he drove away. [redacted] asked [redacted] to describe what the male driver was wearing and it was reported by [redacted] & [redacted] that the male driver was wearing a red and black checkered jacket. Officer LaPorte remained with [redacted] vehicle and did an inventory of the vehicles contents per department policy.

Officer Laskowski transported [redacted] to the Chesterfield Police Station for processing. When we arrived at the station [redacted] was brought into the booking room for processing. Once Officer Laskowski had completed the Miranda warnings for [redacted], [redacted] advised that he understood and was willing to answer questions.
