A FRESH START

Get a fresh start in the new year by updating or creating your estate planning documents. Come for a free consultation to meet with one of our attorneys. We will explain why power of attorney documents are so important. Also, we will discuss the differences between trusts and wills. Your situation is unique and our office will customize your preferences within your documents. You will receive a flat fee quote at the appointment. Trusts have many advantages for people who want restrictions on the distribution of their assets. Age requirements as well as different percentage distributions all work better with a trust. Add your estate planning documents to your new year's resolution list. Contact our office for a phone, video, or in-person appointment at 262-633-8301, or through our website at pruittlawoffices.com. Our offices are located at 731 Main Street in Racine and 620 56th Street in Kenosha..

We are your partners for professional service.
