

With Your Support he can have a good start in life.

Adam's family doesn't have much but he still wishes for a Christmas present. His father works for a low wage. Three days a week his mother cleans the homes of others. This brings food to the table but not much more.

For a good start, Adam needs warm clothes, healthy meals, and maybe a new bike.

But someone must help him. That someone could be you. Be generous. Realize how lucky you've been. Share your good fortune with Adam through the Goodfellows Grass Roots campaign by completing the form below.

*The child named in the story is not the child shown in the photo.

Adam is one of about 4,000 deprived children in Kenosha who deserve a good start.

Kenosha Christmas Charities, Inc., also known as Goodfellows, a 501(c)(3) nonprofit charity, was founded in 1930 by the Kenosha News. We continue to work with 10 charities and agencies under the umbrella of Holiday House. Every year during the holiday season Kenosha County has more than 4,000 disadvantaged youngsters, 15 and under, who desperately need your help.

Through funds collected from various sources, the Goodfellows is able to provide toys, coats, hats, mittens, and food to these disadvantaged children and their families. This is your opportunity to bring joy to a child's world.
