FRIDAY'S HOROSCOPE

JACQUELINE BIGAR
FRIDAY, MAY 20, 2016
HAPPY BIRTHDAY! This year you greet the potential of many different upsets; however, if you don't get stuck on being right, you will grow and see a greater vision of possibilities. You also will come to understand others better. If you are single, you will go through several relationships before you settle. Finding the right person will be challenging but worth the search. You are very likely to meet Mr. or Ms. Right this year. If you are attached, you will notice that your differences keep coming up. Consider the fact you and your sweetie have different approaches and styles. SAGITTARIUS is a risk-taker.
A baby born today has a Sun in Taurus and a Moon in Scorpio.
The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult
ARIES (March 21-April 19) ★★★ Your ideas resonate with others who feel as if you come from an authentic point of view. The problem seems to be that you are very idealistic at this point. Consider the conditions and must-dos. Will your concepts still succeed? Tonight: Let conversations drift into other topics.
TAURUS (April 20-May 20) ★★★★★ You might be quite wayward and determined to have a situation work out the way you want it to. Remain sensitive to a partner who wants to have matters play out the way that he or she would like them to. Open up to some fun ideas. Tonight: Head to bed early once more.
GEMINI (May 21-June 20) ★★★★★ Someone might reveal his or her true agenda. Be sure you want what is heading down the path before making any commitments. On the other hand, you could be upset because you need to make a choice. Recognize a bum deal. Tonight: Add a romantic touch to plans.
CANCER (June 21-July 22) ★★★★★ You could be wondering what must happen next. Demonstrate your ability to get past a problem and succeed. You will feel far more relaxed than you have in a while. Start a discussion to understand where a family member is coming from. Tonight: Entertain from home.
LEO (July 23-Aug. 22) ★★★ You seem to choose the right words at the right time. Investigate possibilities more openly than you have in the past. You might feel as if you must act on an important conversation or schedule a meeting. Continue to open up to new ideas. Tonight: Hang out with loved ones.
VIRGO (Aug. 23-Sept. 22) ★★★★★ You'll want to restrain yourself from overspending or getting uptight about a money matter. You might need to simplify your thinking and recognize when you are out of your league. Remain connected to the basics. Tonight: Be nice with a loved one.
LIBRA (Sept. 23-Oct. 22) ★★★★★ You'll remain full of fun, and obligations will flow easily from one area of your life to the next. Tension could build if you become too reflective. Remember what you want, then decide when it would be best to make it a reality. Tonight: Slip into weekend mode.
SCORPIO (Oct. 23-Nov. 21) ★★★★★ You have been focused and direct. Understand your limits in the social whirlwind that is about to take off. You might question your need to have a routine and follow it as exactly as you can. You are full of energy; invite several friends to join you. Tonight: As you like it.
SAGITTARIUS (Nov. 22-Dec. 21) ★★★★★ You will want to reconsider a decision that seems to be hindering you in some way. You might not be prepared to discuss this matter. Therefore, you could have difficulty making a decision, as it is your inclination to let the issue resolve itself. Tonight: Ever playful.
CAPRICORN (Dec. 22-Jan. 19) ★★★★★ Zero in on your priorities, especially revolving around timing, events and getting together with friends. Expect to be overly busy, and you won't be surprised. You like all the activity, but at the same time you find it to be distracting. Tonight: Your pals want to celebrate TGIF.
AQUARIUS (Jan. 20-Feb. 18) ★★★ You might feel exposed or as if you have a must appearance that you simply cannot avoid. Stop the flow of any negative thoughts, and you will discover the power of positive thinking. You could even enjoy something that you hadn't thought you would. Tonight: Be playful.
PISCES (Feb. 19-March 20) ★★★★★ Reach out to a loved one at a distance who often confuses situations rather than helps them. As a result, you won't want to share too much of what is going on. In fact, letting the cat out of the bag could trigger a difficult situation. Tonight: Use your imagination.

BORN TODAY: Singer Joe Cocker (1944), singer Cher (1946), former first lady Dolly Madison (1768)
