### CAUTION

Joshua Robert Link is wanted for his alleged involvement in a fraud scheme between January of 2021 and December of 2023. Through his company, Agridime LLC, Link and his co-conspirators solicited cattle contracts from buyers throughout the United States. They told prospective buyers that Agridime would purchase cattle, care for and feed the cattle, have it processed, and sell the meat through Agridime's distribution channels. Agridime offered investment returns from 15% to 32% to prospective cattle contract buyers. In reality, Agridime purchased only a fraction of the cattle. The scheme resulted in an approximate loss of \$115 million to over 2,000 cattle contract buyers nationwide. On January 29, 2026, a federal arrest warrant was issued for Link in the United States District Court, Northern District of Texas, Fort Worth Division, after he was charged with Conspiracy to Commit Wire Fraud.
