

# **Touching Moments Animal Assisted Activities & Windy Ridge Ranch Therapeutic Riding Center**

have been serving residents of Houston County and the surrounding area for several years by providing animal assisted activities to those in need in our community. To celebrate the good work our volunteers and animals do, Touching Moments and Windy Ridge Ranch are creating a Pet Treat Cookbook for all the dog, cat and horse lovers in our area. The book will be introduced at the Houston County Fair at an introductory price of \$10.00. We are excited to present the book and would like to thank our businesses sponsors who supported this community project by including their business in the new book!

## **Congratulations and thank you to these business sponsors:**

**Naturally Unbridled Wellness**

**Pet Me Scratch Me Dog Daycare**
