

# *Card of Thanks*

The family of Calvin Anderson would like to express their thanks and sincere gratitude to all who sent cards and memorials, to those who sent plants and brought food.

Our thanks to Pastors Julie and Dan Wollman for their messages. To TOR and Carol for the special music. To the caterers and the wonderful gals at church for serving. To the casket bearers, the Legion and military for their honors, to our great grandson, Evan, for playing taps. In addition to the above, to any of whom past, including the present, have conveyed their concern, we offer a thousand thanks to each and all. May God's richest blessings be yours.
