Yesterday I traveled to the state capitol to cast my electoral votes for Donald Trump and Mike Pence. Just keeping our legal options open. I spoke to Sidney Powell's office and my case has been appealed to the US Supreme Court. Funny how the lefties want us to roll over and accept this election after they burned, looted and tried to impeach our president. I am fighting to the end. Yes, this election was filled with illegal activities by the Wisconsin Elections Commission. Yes it effected the outcome.

Tens of millions of votes, mostly in about 6 or 10 Cities, stolen or changed. State and Local municipalities and the fight against a machine, did us in.

We know of two that voted in the state for Biden on Monday, that voted illegally. We need to see some charges filed. For the electoral vote.

I heard a WEC member say in an interview they know there is fraud but they usually never pursue charges...that's why there is no fear on breaking the laws.
