

# In Loving Memory

During a time like this we realize how much our friends and relatives really mean to us. Your expression of sympathy will always be remembered. Thank you, The Family of Norman Rood.

## Thank You

### **The family of Dale Mikshowsky**

would like to thank the Gundersen Health System and Bethany Riverside Home for taking such good care of Dale during his stay there. The Palliative care staff, the Hospice staff and nursing home staff were all very helpful and caring for him, making his stay the best it could be. We also would like to thank all who attended his funeral and those that send cards, flowers, emails, and memorials. It surely was a testament for him and we greatly appreciate it. Thank you!

## Dad,

It's been ten years since you left us. Not a day goes by you're not thought of. Bright blue eyes and a laugh that could fill a room.

Til we meet again.

Love,

**Carrie, Nancy, Tracy & Susan**

Happy Birthday

## BETHANY ANN ASPENSON

**1951 - 2017**

Beth passed away Monday, June 26, 2017, with her family by her side. Her wishes were to have a small private service and gathering, as she never wanted to be in the limelight. A celebration of her life took place July 27, 2017, with special attention paid to the elegant details for which Beth was known.

The family would like to send out a very special thank you to all of the loving folks for all their kind words and cards. Messages about donations of time and money made to their favorite organizations in Beth's honor are so appreciated; two examples, ringing bells at Christmas for the Salvation Army and giving blood to the Red Cross. Thank you to all that helped Beth and her family with her journey through life. With Beth's spirit in mind, please always keep your face to the warm sunshine and the dark shadows will fall behind you.

**Thank you for caring,  
The Aspenson Family**
