Bangor Pride – A small school building big futures

BANGOR SCHOOL DISTRICT

5th graders from Bangor Elementary School sponsored a local family in connection with the La Crosse County For Goodness Sake giving program.

The students made a financial donation or purchased items from the family's wish list, then wrapped the gifts. The students learned, "it can be better to give than to receive." These young people can be very proud that they are making the holidays a little brighter for one special family.
