

Lucas Knight

12/3/96 - 9/13/20

We wish to graciously provide thanks for the most generous & humbling outpouring of support for our family in the aftermath of our son Lucas' tragic accident. Family, friends, & community came together in our time of need to begin the healing of some pretty deep wounds. We thank you for the many cards, the visits, the food brought to us, those who

kept us in thought & prayer, & the monies to help provide a scholarship in Lucas' name. Lucas' memorial visitation left us so full of pride & love. Thank you to Seland Funeral Home, the Barre Diner, those who served food, the tent set-up, the flowers, plants & gifts, the pilots who circled above, the touching stories, & all of you who reached out or traveled near & far to help fill our hearts. We know our son would have been reduced to tears with all the love that has come our way and that he would want those affected by his passing to keep "stepping forward into growth."

Sincerely,

Dennis, Lisa, Dani & Ryan Knight
