To Whom This May Concern,
I want to wish you all a Merry Christmas and a Happy New Year because that's what I'll be having thanks to you. From the Angel who carried my message of chest pain from Front and Vine Street to the First Responders at the Rotary Lights on Wednesday evening Dec. 6, 2017, the emergency personnel who took it from there, the fire department, paramedics, ambulance, and the emergency medical staff at Gundersen Lutheran Medical Center, the doctors and nurses. You all know who you are but I don't so here is a heartfelt thank you. I hope in some way this gets to all of you. From the time to call was made to the completion of the third stint placed in my heart, the time that had elapsed was 30 minutes. That's a Christmas miracle to me.
Thank you all again,
Bernie Niedercorn
