old school for him and convert it into
living Areas and offices for him in
exchange for 30hr + a living Area which I remodeled
so I can live there during this process.

Since I was living in Tampa during the time,
and the commute was too far.

This whole Year he did all this work on his
Properties without permits cutting corners
on everything. So finally just last month the
county was on to his fraudulent procedures
and decided to close down operations on 63rd
1323 where I resided + worked. As a result
he didn't want to pay me my 30hr as a Carpenter
and tried to cut my salary to 20hr as a labor
which was an insult and not right. As a result
I started working the phone sales for him
as he runs a ambulance chaser Referral Company
That helps accident victims get medical help
and legal representation.

promising me I would make twice as much
as I was... which I never recieved a dime
for all of my phone work. And Also

last day I made phone calls was Just

This week 11/14/2022 as I have documents
to prove it. ~~these people were really and they~~
~~and they were really and they~~

These documents they provided is All false

1)st of All ^{Michael} ~~Plambeck~~ Plambeck is the Owner of
Property not William Vacek

2)nd of All, I moved in Feb. 22
not on 6/10/22 as stated on these documents

3)rd of All he ~~never stated~~ ^{has an Awful Temper and fires}
employs everyday cursing them out That been
working for him for years. But they are still
working and living there and I just
stopped working for him 11/14/2022
so all these lies makes no sense.

I attached my payroll I got on payroll once
I moved in. And I also Attached my
phone records of me working for his company
referring my defense. Hes a lyer + a cheat.
