Speaker 1: Alright, this is a Hooters at 3869 Airport Boulevard?

Speaker 2: Yes sir. Ma'am.

Speaker 1: All right. Are you requesting police or medical help ma'am?

Speaker 2: Um, police. I've got a gentleman here claiming that he rapes little girls like my staff and he buries people for a living. His name is *REDACTED*. And I've got his check so I'm going to need you here quick.

Speaker 1: Alright. Where is he at inside the location, ma'am?

Speaker 2: Yes, he is, he is. He is a tall black gentleman, probably 6'3" or 6'4" with glasses. Sitting at a high-top inside the restaurant to the left.

Speaker 1: Who was he saying this to? Just out loud?

Speaker 2: He's saying this to one of my Hooters Girls, *REDACTED*. And he's said it to me.

Speaker 1: Okay. So, he said he sexually assaults females and what else?

Speaker 2: He buries people for a living.

Speaker 1: Okay.

Speaker 2: I'm going to try and hold on to his check until you get here without him asking questions.

Speaker 1: What color shirt and pants is he wearing?

Speaker 2: Hmmm, is it a red shirt? Like a faded red shirt, maybe linen pants.

Speaker 1: What's your name ma'am?

Speaker 2: I'm *REDACTED*, I'm the manager.

Speaker 1: Alright ma'am, I'm notifying police right now. So, you want to have him trespassed? Correct?

Speaker 2: Oh absolutely. He's not going to come in here and talk to any of us like that. I mean I'll comp his ticket before I give him back the card. I'm just going to hold onto it until you get here.

Speaker 1: Okay. Alright, police has been notified ma'am. They will send some assistance there to you, ok?

Speaker 2: Thank you very much, I appreciate you.

Speaker 1: You're welcome. Bye-bye.
