QUESTION
Shall the City of Laurie impose a local, half-cent sales tax for the purpose of funding the Parks and Recreation Department for park maintenance and improvements. Enhance recreational facilities to promote community health and wellness. A half-cent is one nickel for every \$10 purchase.

CITY OF LAURIE
QUESTION
Shall the City of Laurie impose a local, half-cent sales tax for the purpose of funding the police department and ensuring the sustainability of public safety. A half-cent is one nickel for every \$10 purchase.
Community surveys indicate that public safety is a priority for our residents. Full police staffing on the street will allow for quicker response times and a more proactive approach to addressing and deterring crime. The City Council is committed to addressing crime and safety in our community. This will also support the City's Blue Shield Initiative, sponsored by the State of Missouri
A dedicated police sales tax will improve officer recruitment and retention, make our police department a more competitive law enforcement employer, and ensure we do not lose officers to surrounding departments. The tax will also enable the purchase of replacement police vehicles and other necessary equipment, allowing officers to respond quickly to calls for service.
