Dear Senator-Elect XX,

As Board President, I am speaking on behalf of the Racine Unified School District Board of Education and Superintendent. We would like to extend our congratulations on your election victory. Running for office shows your commitment to our community. We thank you for your dedication and future service to the people of Wisconsin.

Public schools play an important role in our community. The Racine Unified School District continues to seek ways to continuously improve and provide quality education to the students in our district. We look forward to staying in touch with you and your office so that together we can work to ensure the needs of students in our K-12 public schools are met.

As you transition into your office, please know that you are welcome to contact us via phone, email, or an in-person visit. We are always looking for ways to build a strong relationship with our area legislators. Sometime in the near future we hope to invite you to our district so you may see the wonderful programs, our newly built facilities, and to discuss the needs of our district.

Sincerely,
