Announcing the 2024 Best of Geneva Lakes Winners!

Cash registers, work vehicles, front doors and front windows are just a few of the places throughout the community where you're likely to see the "Best of" decals.

Each business, organization or individual has earned the accolade by providing great service to our friends and neighbors.

"The Best of" designation is truly a community award – residents submit nominations for each category and the winners are selected by the public.

We are truly thankful for the continued community support of the program – from the businesses, organizations and individuals that participate to the folks who take the time to nominate and vote for their favorites, none of this would be possible without each and every one of you.

Congratulations are in order all around.
