Good Afternoon,

A member of the Montana Child & Family Services Division called our office. The worker, (b) (6), asked for additional information related to his SCAN report:

1. What is the family's Location of Home?
2. Is the (b) (6) in fact, this child's legal guardian?
3. Is this child an enrolled member of the (b) (6) Tribe? This

Based on the mailing address noted on the SCAN report, (b) (6) is coordinating with the (b) (6) Tribal Office of Child Protective Services. She noted that staff of the (b) (6) Tribal Office will be contacting our office for the above requested information. Please provide this to our office as soon as possible.

Lastly, Whitney confirmed that only her agency or law enforcement can make placement of a child away from the parent or legal guardian.

If not, the parent or legal guardian must be fully involved in the process.

Thank you.

All,

I was away from my office October 8 and 9. Before I left, and after receiving the SCAN report noted here, I attempted telephone contact with the agency that this report was filed with initially – Montana CFSD – regarding the issue of this child's return home. My apologies for not notifying you all but our office routinely makes these contacts. Our office will therefore continue this follow up and advise Ms. Braucher accordingly.

Thank you.

Ok, thank you. The initial reporter (b) (6) (Chemawa (b) (6)) is a extended family member to the alleged victim, J.E. I have explored with the (b) (6) a possible placement for the Christmas break, he is talking with his family and is going to be getting back to me with their answer. Please advise.

Thanks!
Nadine

Importance: High

All,

I was away from my office October 8 and 9. Before I left, and after receiving the SCAN report noted here, I attempted telephone contact with the agency that this report was filed with initially – Montana CFSD – regarding the issue of this child's return home. My apologies for not notifying you all but our office routinely makes these contacts. Our office will therefore continue this follow up and advise Ms. Braucher accordingly.

Thank you.

Normally I work with Michelle and she lets me know if it is fact safe to make travel home from them. It is a tough spot to be in.

Eric,

I will be working on this and am very thankful for the go ahead to do so! I will be in contact with (b) (6) Social Services to assist in advocating for a placement for the Christmas holiday and thereafter.

Thanks again!
