Dear Families,

We are writing to inform you that Thomas Johnson, District Administrator of Union Grove Union High School, was arrested by law enforcement earlier today.

We are deeply troubled by the serious allegations associated with this arrest and recognize the concern this news has caused throughout our school community.

The district is cooperating fully with law enforcement. Because this is an active investigation and involves a personnel matter, we are unable to provide further details at this time.

We encourage anyone with information related to this matter, or concerns about any other potential misconduct involving a child, to contact the Kenosha County Sheriff's Office directly.

Effective immediately, Principal Tom Blair is serving as acting District Administrator and will provide leadership and oversight of district operations.

Please know that the safety and wellbeing of our students and staff remain our highest priority. We are committed to providing a safe and supportive learning environment for every student.

We appreciate your understanding and support during this time. We will share additional information as appropriate.

Thank you for your attention to this important update.

Sincerely,

Diane Skewes
Union Grove Union High School Board of Education President
