Dear Parents & Guardians of BFHS:

I am writing with some unfortunate news. I was informed that a Big Foot employee was arrested by the Walworth Police Department on multiple charges.

Like you, I am deeply troubled by these allegations. The district intends to fully cooperate with law enforcement officers as they conduct their investigation. Because this is an ongoing investigation, there is little else we can share now. However, we know that when events like this happen, the entire school and district are impacted. We are working very hard on internal controls to protect Big Foot High School and all its stakeholders. No individual data or finances have been impacted to our knowledge.

While we will share more details regarding this investigation when we can do so, our focus now will be on working with law enforcement during their investigation and continuing to meet the needs of our students and school community.

Respectfully,

*Doug Parker*

Mr. Doug Parker, District Administrator
