OFFICE OF THE INDEPENDENT POLICE MONITOR

CITY OF MADISON, WISCONSIN

SUBPOENA DUCES TECUM

In re: Officer-Involved Shooting and Death of Corey Ruiz, occurring on or about 07-22-2026 (OIPM Case No. 2026-0099)

Officer(s) Involved: Identity and badge number(s) not yet disclosed by MPD; disclosure is demanded herein.

TO: Chief of Police, Madison Police Department, and Custodian of Records, Madison Police Department

Pursuant to the authority vested in the Independent Police Monitor under Madison General Ordinance ("MGO") § 5.19(7)(i) and (j), you are hereby commanded to produce, at the time and place set forth below, all records, documents, data, and materials described in this subpoena, in the possession, custody, or control of the Madison Police Department ("MPD"), relating to the officer-involved shooting and death of Corey Ruiz on or about 07-22-2026.

Background

1. On 07-22-2026, the Office of the Independent Police Monitor ("OIPM") requested from MPD all records and evidence in MPD's possession related to the above-referenced matter, pursuant to MGO § 5.19(7)(i), which entitles OIPM to "unfettered access to all MPD records, policies, Standard Operating Procedures, data, computer databases, and other information necessary to fulfill the duties of the OIM," to the extent permitted by law.

2. In response, MPD first represented that it did not possess the requested records.

3. MPD subsequently represented that state law prohibited disclosure of the requested records.

4. MPD subsequently identified the Wisconsin Department of Justice Division of Criminal Investigation ("DCI") as a repository or recipient of records related to this matter. OIPM thereafter requested that MPD produce all records that MPD provided to DCI in connection with this matter. That request has not been fulfilled.

5. MPD's shifting and inconsistent explanations for withholding records, standing alone, do not relieve MPD of its ordinance-based obligation to provide OIPM with the access described in MGO § 5.19(7)(i), and OIPM is entitled to invoke its subpoena authority under MGO § 5.19(7)(j) to compel production.

Records Demanded

You are commanded to produce true, complete, and unredacted copies of the following, to the extent permitted by law:

a. All incident reports, supplemental reports, use-of-force reports, and after-action reports concerning the officer-involved shooting and death of Corey Ruiz;

b. All body-worn camera and dash-camera recordings, audio recordings, radio traffic, and 911 or dispatch records related to the incident;

c. All internal affairs and administrative investigation files, including witness statements, officer statements, and investigative summaries, related to the incident;

d. All forensic, ballistic, autopsy, and crime-scene reports related to the incident;

e. All photographs, diagrams, and physical evidence logs related to the incident;

f. All communications, correspondence, memoranda, and transmittal records between MPD and the Wisconsin Department of Justice Division of Criminal Investigation (DCI) concerning this matter, including a complete copy of every record, document, and item of evidence MPD provided to DCI in connection with this matter; and

g. Any other records, data, or materials in MPD's possession, custody, or control concerning the incident that are responsive to OIPM's original request of 07-22-2026; and

h. The name(s), badge number(s), and assignment(s) of all MPD officer(s) involved in the shooting and death of Corey Ruiz, along with the personnel and training records of said officer(s) .

Continuing Obligation to Supplement

This subpoena imposes a continuing obligation on MPD. To the extent any record described above does not yet exist, has not yet been finalized, or is not yet in MPD's possession, custody, or control as of the production deadline set forth below, including but not limited to any report or communication from the Wisconsin Department of Justice Division of Criminal Investigation (DCI) or any charging decision by the district attorney, MPD shall produce such record to OIPM within five (3) business days of the date it comes into MPD's possession, custody, or control, without the need for a further request or subpoena from OIPM.

Time and Place of Production

Production shall be made before July 31, 2026, at the Office of the Independent Police Monitor, 210 Martin Luther King Blvd, Room 501, Madison, Wisconsin, or by secure electronic transmission to Aglass@cityofmadison.com.

Confidentiality

OIPM will treat all records produced in response to this subpoena as confidential in accordance with MGO § 5.19(9), except to the extent needed to carry out OIPM's duties under MGO § 5.19 and § 5.20.

If you contend that any portion of the demanded records is exempt from production, you are directed to identify, in writing and by category, each such record withheld and the specific legal basis for withholding it, on or before the production deadline set forth above.

SO ISSUED this 27th day of July, 2026.
