Dear Robert:

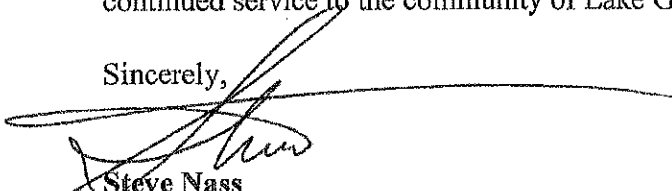

On behalf of the Wisconsin State Legislature, I would like to take this opportunity to commend and congratulate the Lake Geneva Regional News on reaching a milestone – now marking its 150<sup>th</sup> anniversary of service to Lake Geneva and Wisconsin.

Since 1872, Lake Geneva Regional News has not only served as a trusted source and medium of news and information, but also as a chronicle of regional Wisconsin history.

The Lake Geneva area has grown over the years as a preferred residence and year-round premier resort attraction for visitors throughout the Midwest and beyond. Together with publications such as The Resorter and Tri-County Classifieds, Lake Geneva Regional News has raised the visibility and profile of the area. Through reliable paper and online platforms for advertisers, it has compellingly conveyed the appeal of local businesses, activities and services.

The consistent presence of Lake Geneva Regional News is a testament to the dedication of its staff; their efforts have had and will continue to have a strong and significant impact on its community. Therefore, to the reporters, editors and advertising staff of the Lake Geneva Regional News, I salute you all on your good work and wish you great success in your future of continued service to the community of Lake Geneva and the state of Wisconsin.

Sincerely,

Steve Nass
